Hello Good People,

The background for this event: While brainstorming with colleagues ways to be present for our community post-election, the idea of a Good Walk (similar to a Good Talk, The CT discussion event series held this fall) was suggested. in Fall of 2020, a potentially contentious time for our community, I walked with Steve and David and found an open presence and some fresh air can be helpful for many of us. The text of the announcement to the campus is below (this will be part of an all-campus email next week).

The Ask - can you sign up to lead an hour long walk on Wednesday afternoon?

- Having multiple people sign up for the same time is GREAT - we want to make sure all times are covered by a person to coordinate.
- If you know of other people who would be willing to lead/participate, please forward this to them! We are trying to keep this uncomplicated but willing leaders are AWESOME.
- Contacts: Sarah Stroup (210-391-9436), Jason Duquette-Hoffman, Brian Lind (Jason and Brian will be in Wilson Hall)
- The sign-up sheet: https://docs.google.com/document/d/1oQz-y3N47M2i7KzvPEo3-pdhaI0UW9j7vukDeXhZ5JM/edit?usp=sharing

The Announcement: *Around the 2020 election, Middlebury employees and community members came together to join walking rounds on campus, in support of our campus community during a contentious time. This year, we invite students and employees to join a post-election "Good Walk." On Wednesday from 12-7 pm, groups will depart on the hour. Meet in Wilson Hall and then get some fresh air, digest the election news, make a new connection, and show support for our community.*

Gratefully,
Sarah
